

"LifeFlight of Maine provides emergency transport services for critical patients throughout the state. Our equipment, expert crews, and speed of transport make all the difference — someone's life is on the line and we get them to a hospital as fast as possible with the highest level of care along the way. We own two helicopters, but we need an airplane for longer flights. The funds we received from the Community Matters More campaign will help us meet our fundraising goal to purchase the plane. LifeFlight is the glue that holds Maine's emergency medical system together and this plane will be a critical tool in our toolkit."

Melissa Frndt
 Marketing & Educational Outreach Manager

Community Matters More

At Bangor Savings Bank, we believe in giving back to our community. And we believe that by focusing on the needs that matter most to our neighbors and friends — from developing housing for our poor to direct charitable contributions — we matter more in the daily lives of our fellow Mainers.

We Need Your Help

In early April, the Bangor Savings Bank Foundation will give a total of \$100,000 to 68 local nonprofit organizations. We are looking to you, our community, to assist us by deciding how to best distribute these funds. We want to hear from as many Maine residents as possible, so please invite your friends, neighbors, and colleagues to participate as well.
